This year we are implementing online registration and seating. Please go to the following to purchase your tickets and choose your seat: <https://washingtonstateclubsuncitywest.ludus.com/>

We realize that online ticketing is new for the Club. In order to sit with others, you need to get together and choose your seats at the same time and at the same table. We are only able to offer round tables that seat 8 persons. Once selected, there will be no ability to change your table. Tickets will not be sold at the door. If anyone needs help with the online registration, contact Donna McCallum by text to 360-590-4588 and she will get back to you.

- There will be some lovely baskets for a silent auction (must pay that night by check or cash for baskets won) and a 50/50 drawing. Be prepared for a fun evening!
- This year we are again providing **entertainment** by **Dallas Dan**. Get on your dancing shoes!
- **We ask that you do not change seating upon arrival. When this happens, it causes many issues with our guests and servers. Fire Codes and Recreation Services, in case of an emergency, prohibits movement of tables, balloons, flammables such as candles or butane lighters/décor.**
- As always, Dungeness crab will be flown in from the Pacific Northwest the day of the event to ensure freshness. Register early and invite your friends and neighbors. If there is extra crab leftover, we will sell them (cash only) at the end of the evening, one per person.
